Company Focus

China's USD 386 billion tobacco market grows over 2% annually, reinforcing "China Tobacco's" leadership in:

-  Market Dominance and Economic Contribution
-  Leading Brands and Market Share
-  Innovation and Technological Advancements
-  Strategic Focus on High-Quality Development
-  Social Responsibility and Regulatory Compliance

ALT TABAK

Business Partner

"Alternative Tobacco" was selected and granted exclusive rights to import, resell, and distribute "China Tobacco" products in the European Union. The company is also expanding its business profile in Africa, Latin America, and the Middle East.

Traditional Tobacco

Cigarettes

As the world's largest tobacco company, "China Tobacco" offers over 200 cigarette brands. The offered assortment is ideal for both: traveling Asians and international customers.

* Ideal markets: Latin America, Central Asia, North Africa, and South Africa.

Handmade Cigars

Only

Top-Rated Cigars

The Value Benchmark of Chinese Cigars

This impeccably crafted cigar opens with notes of gingerbread, licorice, nuts, and fresh flowers, followed by hints of ginger and wood, finishing with plum and cocoa.

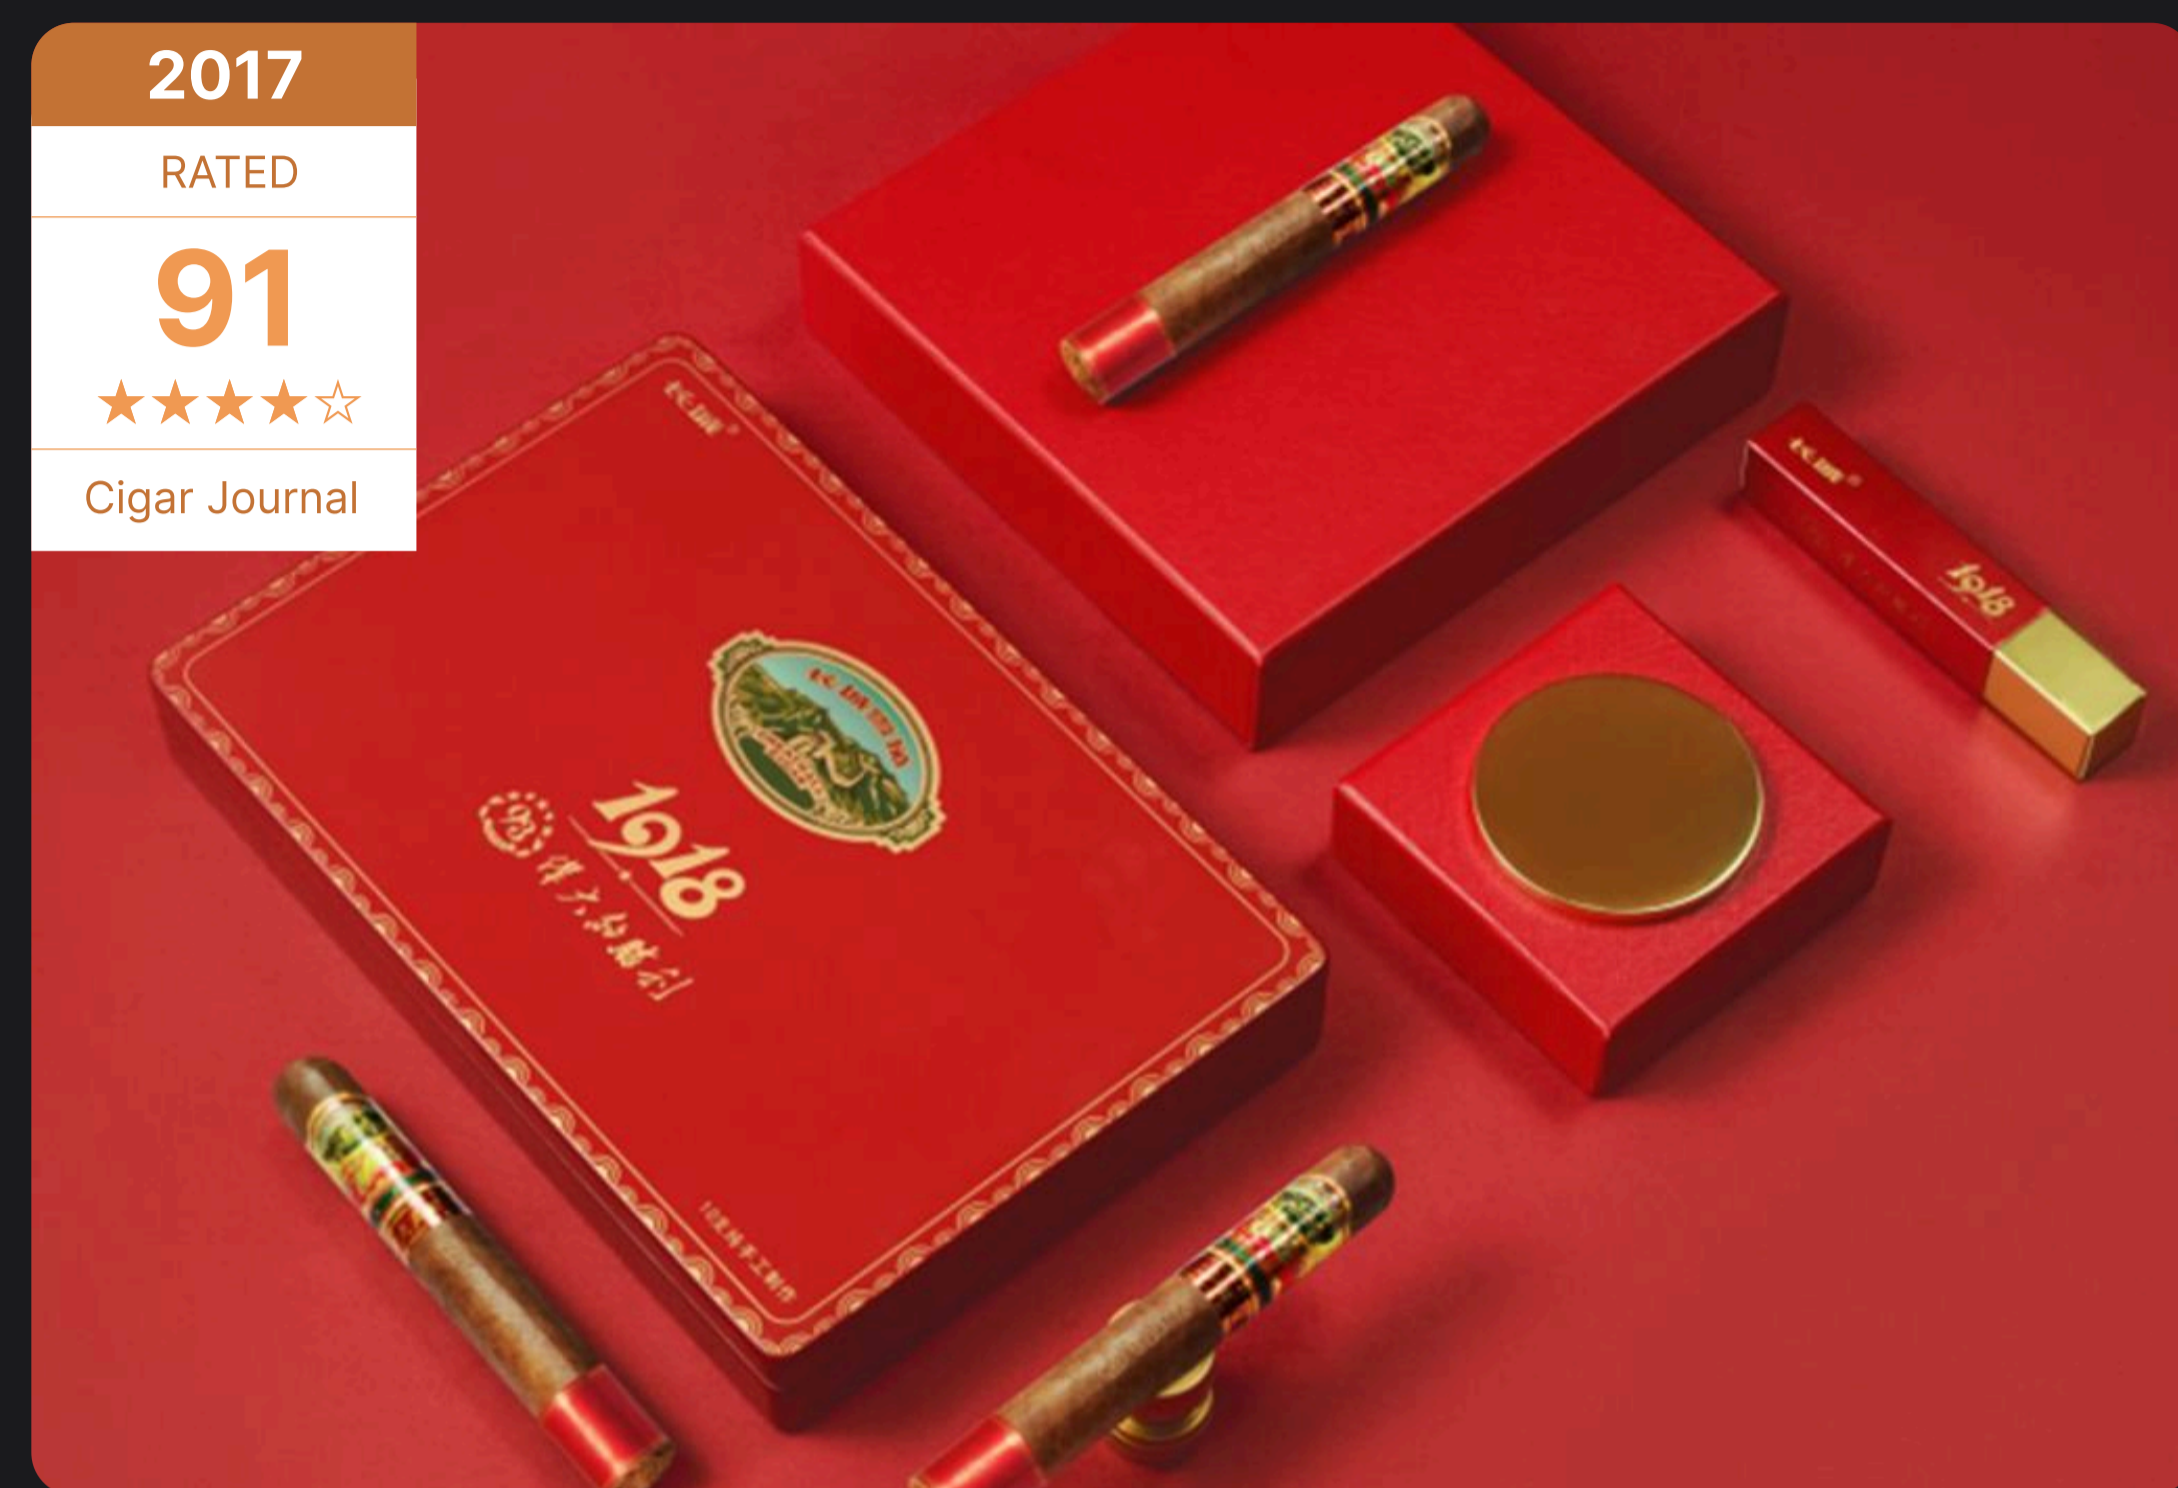

Cigar with a Long Braid

The cigar starts with nutty, bean-like aromas, shifts to toasty, burnt-sweet notes with hints of honey and leather, and finishes with a robust, medium-rich aroma and a long aftertaste.

The First Salomon Chinese Cigar

Aged for over three years, the tobacco leaves develop a sweet, woody flavor with hints of licorice and almond, a rich aroma, and a mellow finish.

Victory Commemorative Cigar

Sichuan's unique rice paste fermentation method creates an authentic Chinese flavor, primarily characterized by a rich rice aroma.

Cigarillos

For consumers who favor familiar local names.

For Traveling Asians

Ideal markets: Latin America, Europe, North America.

Vanilla

Full-bodied cigar aromas with sweet vanilla flavors.

Original

Pure, soft, and mellow—savor the cigar's beauty in a brief tasting.

Coffee

The aroma of coffee transports you to various cigar realms.
